

COMP 448/548: Medical Image Analysis, Spring 2021

Final - June 4, 2021

Question 0 (5 points): 11:45-11:50 (should submit by 11:55)

- 1) Understand the following honour code statement and copy it on a blank paper by your own handwriting and then sign it.

I pledge on my honour that I have not given or received any unauthorised assistance on this exam.

- 2) Understand the following and copy it on the paper, which you use for writing your honour code statement, by your own handwriting.

I have fully understood that I should answer each question on a separate paper by my own handwriting and upload the photo of my handwritten answers on Blackboard not later than five minutes after the time period allocated for each question.

I have also fully understood that the answers provided by other ways (for example, by typewriting or in others' handwriting) will not be considered and will not be graded.
